

Fundraising and Purchasing Hints and Tips

Setting up a Fundraising page

If you are fundraising for Care4Calais, we strongly recommend you use one of these fundraising platforms, as we can get **25% extra free** on top of all your fundraising due to **gift aid**. This means if you raise £100 we get £125.

We are registered with [People's Fundraising](#), and [Enthuse](#).

We recommend **People's Fundraising** as they have zero charges, whereas other platforms charge up to 6% in fees.

You just need to create an account and choose **Care4Calais** as the charity you are supporting.

For fundraising hints and tips please read our guidance at www.care4calais.org/get-involved/start-a-fundraiser/

Please let us know when you set up a fundraising page, so we can make sure the funds go to your group. Please contact - purchasing@care4calais.org

Bulk Orders and Purchasing

Before you buy any items for refugees in your area, consider joining other groups to bulk buy them. We have many groups operating in the UK and can access good **discounts** that mean we get certain items **a lot cheaper**. It makes sense to coordinate bulk orders where possible. Here are some examples of items you can bulk order through Care4Calais with approximate prices:

	Minimum order quantity
● Socks 30p	12 pairs
● Boxer shorts 70p (less for high quantity)	12 pairs
● Trainers £15(nice ones)	
● Joggers £5.40 (slim fit ones are preferred)	20 pairs per size
● T shirts £1.30	12 per size
● Hoodies £5	10 per size
● Coats (price depends of warmth level)	
● Hats 99p	20
● Gloves 40p	25
● Smartphones £49	

To order items email purchasing@care4calais.org Please make sure you have consulted with your whole group to avoid duplicate orders and that you have the funds from your fundraiser.

If you purchase any items independently of Care4Calais we strongly advise that you keep copies of all invoices and receipts, and ideally send us copies as well, to protect your group if questions are ever asked by donors or third parties.
